Application Questions

1. What issue facing women within your community are you most passionate about changing, and why? *In the past, trainees have chosen issues like land rights, girls' education, peacebuilding, domestic violence, drug or alcohol abuse, and many others.*

2. What is your idea for a solution that you would want to implement during this 7-month program?

3. What are the biggest challenges to you changing this issue?

4. How do you envision your solution evolving after you complete the training?

5. What do you want to learn that could help you become a better *agent of change*?

6. What are some traits of a good leader?

7. Why have you opted to apply for this program?

8. Please describe any past experience where you engaged in making your community a better place to live. (it is okay to leave this blank.)
